## Membership Policy

(Adopted by the Wisconsin FFA Alumni Assn. Council on 12/7/02)

The Wisconsin FFA Alumni Association, Inc. values the importance of membership as a way to continue providing support to the Wisconsin FFA Chapters and leadership opportunities to the adults in their local communities as mentors to our youth.

To be considered an active affiliate in good standing with the Wisconsin FFA Alumni Association, Inc. an affiliate must submit the following to the Wisconsin FFA Alumni Association in a timely manner:

By March 1<sup>st</sup> of each year

- *Completed roster with proper payment*
- *Affiliate officers with completed address, phone, and email*

\*\*If the local affiliate fails to submit their roster with proper payment and the Affiliate officers list to the Wisconsin FFA Alumni Assn., Inc. that affiliate will be considered inactive. At the end of the second year of no reply with the proper roster information, any lifetime members from the local roster will be transferred to the Wisconsin At Large.

An affiliate may start the reactivation process by contacting their sectional representative or any Wisconsin FFA Alumni Council member.

If your affiliate fails to comply with the membership guidelines as stated above, they will be considered inactive.

The local FFA Alumni Affiliate's actions to not maintain itself in good, active status will directly affect their local **FFA** members by making them ineligible for the following:

- Washington Leadership Conference Scholarships
- Chapter Grant Award presented by the National FFA Alumni Assn.

This means the local **FFA Alumni** Affiliate will be ineligible for the following:

- Awards presented at the Wisconsin FFA Alumni Convention and therefore will not qualify for National competition
- Will not have a vote at the Wisconsin FFA Alumni Convention or the National FFA Alumni Convention
- The local affiliate will not be in contact with the sectional reps or the State Assn. and therefore will not continue to receive the most current information regarding Agricultural Education opportunities and/or issues facing the FFA Alumni members and/or the youth in the FFA chapter.
